

Shaping Tomorrow's
Built Environment Today

ASHRAE MEMBERSHIP APPLICATION

ASHRAE provides essential resources for sustainable design, construction and operation of buildings. We are the world's leader of the built environment technologies.

Through your knowledge and understanding of the industry, we can continue to expand our sustainability efforts, increase the stringency of industry standards and develop technology that enables high performance for the life of a building.

With more than 52,000 members from over 125 nations, ASHRAE is a diverse organization representing building system design professionals around the world.

Member Benefits and Resources

Membership

Members are represented by consulting engineers, mechanical contractors, building owners, employees of manufacturing companies, educational institutions, research organizations, government, architects, students or anyone concerned with HVAC&R for the built environment.

What Member Type is Right for You?

ASHRAE has three grades of membership awarded to applicants based on their experience and participation in the industry.

Member and associate grades offer the same member benefits.

Member (\$190 US)

Available to anyone with 12 years or more ASHRAE-approved experience in the HVAC&R industry.

Associate Member (\$190 US)

Available to anyone with less than 12 years of ASHRAE-approved experience in the HVAC&R industry.

Affiliate Member

(\$50 US/first year, \$70 US/second year, \$90 US/third year)

Affiliate grade is perfect for individuals who are new to ASHRAE (not previous Student or Associate members) who are age 30 or younger. It provides a great beginning for young professionals who wish to become involved in ASHRAE. Affiliate grade does not include the annual member benefit of the ASHRAE Handbook.

**Before you apply and select a member grade, we encourage you to visit the ASHRAE website at: www.ashrae.org/membership to see the member grades and their corresponding member benefits.
